

Find your learning path.

Your goals. Our guidance.

Your next chapter.

Build the skills to study, work and connect across borders. Find a learning path that meets you where you are.

Live Interactive Classes

Learn from expert instructors in real time.

Recorded Lessons

Access class recordings anytime, anywhere.

Skills for your next step.

French & other languages

French, German and Spanish learning. Explore levels, practical communication and everyday language skills.

TEF / TCF Canada

Structured French preparation, targeted practice and mock tests for your chosen exam.

IELTS / PTE / CELPIP

English-language exam preparation. Explore the course that fits your test and goals.

DELF / DALF & school French

French certification preparation and support for school learning.

Build confidence, step by step.

A1 / Start connecting

Begin with introductions, everyday vocabulary and simple exchanges.

A2 / Build your foundation

Develop everyday communication and the confidence to handle familiar situations.

B1 / Find your voice

Work towards independent communication and expressing your opinions.

B2 / Go further

Develop more detailed comprehension, discussion and communication.

Make a plan for exam day.

1. Choose your exam

Explore TEF / TCF Canada, IELTS, PTE, CELPIP or DELF / DALF. Confirm which test meets your goals with the relevant institution or authority.

2. Find your starting point

Discuss your current level, target and timeline with the Canadian School of Languages team.

3. Practice and review

Build a study routine around language skills, targeted exercises, practice and mock tests.

A plan for your learning goals.

A1 - A2

3-month package: CAD \$700 for both levels. Instalments: 60% and 40%.

B1 - B2

Monthly package: CAD \$300 for a batch of 3; CAD \$350 for a batch of 2.

Self-paced

CAD \$150 per level. E-book: CAD \$25.

One-to-one

CAD \$500 / 12 sessions; CAD \$550 / 16 sessions; CAD \$620 / 20 sessions.

Ask our team about availability, your starting level and the right format for you.

Explore your options.

Young learners & school French

Explore French learning for school students and short workshop formats. Ask our team about current schedules, age groups and availability.

Study, travel & immigration

Our detailed services and workshop guide remains available with its existing published service information and fee schedules. Contact our team to discuss your needs.
