

10-day French adventure for kids

Beginner programme | Ages 6-12 years

- Help your child discover French through enjoyable, beginner-friendly activities.
- Learn a little each day: one hour a day for 10 days.
- Take part in live classes where learners can listen, speak and ask questions.
- Receive a certificate of participation as part of the programme.

Programme focus

- Practise useful everyday words, clear pronunciation and simple conversations.
- Build beginner skills through games and activities that encourage participation.

CAD 119 per student (including HST)

Published equivalents: AED 273 / INR 6,675 (approximate).

Use these published details to compare your options. Before you enrol, ask us to confirm availability, fees, taxes and course terms. Currency equivalents are included for reference and may no longer reflect current exchange rates.

Ask us about the next class and which option best suits your child.

What will your child learn?

Days 1-2 | Introduction

Meet the French alphabet, practise its sounds and learn how to greet people, introduce yourself and use classroom phrases.

Days 3-4 | Everyday basics

Learn numbers from 0 to 100, days, months and colours, then use them in short conversations.

Days 5-6 | People and professions

Talk about where people are from, what they do and how to introduce yourself or ask a simple question.

Days 7-8 | Essential verbs

Use *être*, *avoir* and regular -ER verbs to start making your own sentences.

Day 9 | Family and descriptions

Name family members and describe how people look and what they are like.

Day 10 | Articles and celebration

Practise definite and indefinite articles, join games and conversations, and celebrate with a participation certificate.

Learning outcomes

- Introduce yourself and ask basic questions in French.
- Read familiar words, say them clearly, count and greet other people.
- Talk about family, colours, jobs and everyday life.

Practice, materials and support

Included with enrolment

- Join live lessons and take an active part.
- Make speaking part of your daily practice.
- Use notes, worksheets and learning resources to keep practising.
- Try games, quizzes, role-play and creative tasks as you learn.
- Receive a participation certificate when you complete the programme.

Designed for young learners

- Practise communicating in a supportive setting.
- Explore activities designed for beginners aged 6-12.
- Build confidence by joining in and trying new skills.

CAD 119 per student (including HST)

Use these published details to compare your options. Before you enrol, ask us to confirm availability, fees, taxes and course terms. Currency equivalents are included for reference and may no longer reflect current exchange rates.

10-day French adventure | Ages 6-14

Programme overview

- A separate 10-day programme is described for learners aged 6-14.
- Learn through one-hour live sessions each day.
- Receive a certificate of participation as part of the programme.
- Talk to us about your current level before choosing a place.

CAD 139 per student (including HST)

Published equivalents: AED 330 / INR 8,250 (approximate).

Use these published details to compare your options. Before you enrol, ask us to confirm availability, fees, taxes and course terms. Currency equivalents are included for reference and may no longer reflect current exchange rates.

The programmes have different age ranges and prices. We can help you check which option and fee apply to your learner.

10-day French workshop

Day 1 | Grammar review

Refresh tenses and agreement, then practise longer sentences and relative pronouns.

Day 2 | Past tenses

Compare passe compose, imparfait and plus-que-parfait, and use them when writing about the past.

Day 3 | Modal verbs

Practise pouvoir, vouloir, devoir and savoir, together with useful conditional forms.

Day 4 | Subjunctive

Learn when to use the subjunctive, how to form it and which expressions call for it.

Day 5 | Vocabulary

Grow your vocabulary through themes, common expressions, word combinations and word-building.

Day 6 | Listening

Listen to French content, podcasts and interviews, and practise taking useful notes.

Day 7 | Speaking

Share your views, explain your reasoning and improve pronunciation through discussion.

Day 8 | Writing

Organize an essay, connect your ideas and put your writing skills into practice.

Day 9 | Culture

Explore French-speaking countries, traditions and festivals, and discuss current events.

Day 10 | Evaluation

Try a practice test, receive speaking feedback, review your learning and finish with a certificate.

Use these published details to compare your options. Before you enrol, ask us to confirm availability, fees, taxes and course terms. Currency equivalents are included for reference and may no longer reflect current exchange rates.

Learning support and participation

Workshop format

- Join one live hour each day for 10 days.
- This intermediate option is described for learners aged 6-14.
- Practise with worksheets, learning materials, speaking activities and debates.
- Receive a certificate of participation as part of the programme.

Skills practised

- Follow spoken French and feel more comfortable responding.
- Use grammar, vocabulary and expressions in situations that give them meaning.
- Write clear, organized responses and explain your opinions.

CAD 139 per student (including HST)

Published equivalents: AED 330 / INR 8,250 (approximate).

Use these published details to compare your options. Before you enrol, ask us to confirm availability, fees, taxes and course terms. Currency equivalents are included for reference and may no longer reflect current exchange rates.
